

DevJam, Weekend of Code 4.0: 2021

Schedule

- Total development span: May 16, 2021, to May 22, 2021
- Final presentation (of shortlisted teams) and results: May 23, 2021
- Idea submission deadline: 14:00 hours, May 16, 2021
- Mid-term evaluation: May 19, 2021
- Final submission: 22:00 hours, May 22, 2021

Idea submission

1. **Closes at 14:00 hours on May 16, 2021** (submission dates should be strictly followed).
2. The format for idea submission can be found on the second page of this document.
3. **The abstract should be in PDF format only.**
4. **Please name the abstract file the same as your team name.**
5. You can make minor changes to the idea submitted while making your project, however, you are not allowed to revamp the complete idea.
6. Submit your ideas here: <https://forms.gle/DABTz4eiVnYQTgTQ7>.

Note

The instruction for mid-term evaluation and final evaluation will be floated with time. Please like and follow the [Facebook page of WoC](#) for further updates. Visit the [website](#) for schedule updates.

DevJam, WoC 2021
